

# Fortunate

Guru Singh

Never seen a sun shine like this  
Never seen the moon glow like this  
Never seen the waterfalls like this  
Never seen the lights off like this  
    Never dug anyone like this  
    Never had tasty lips to kiss  
    Never had someone to miss  
Never wrote a song quite like this  
    Fortunate to have you girl  
I'm so glad you're in my world  
    Just as sure as the sky is blue  
I bless the day that I found you  
Never had room service all night  
Never took a trip first class flight  
    Never had a love affair so tight  
I've never felt a feeling so right  
    Never seen a winter so white  
    Never had words to recite  
    Never had a flame to ignite  
And I never sang a song with all my might  
    Fortunate to have you girl  
I'm so glad you're in my world  
    Just as sure as the sky is blue  
I bless the day that I found you  
    Fortunate to have you girl  
I'm so glad you're in my world  
    Just as sure as the sky is blue  
I bless the day that I found you  
    Silence child, hope you hear  
    I'm callin' out to your body  
Baby, you know just what to do  
Close the door and windows too  
    Fortunate to have you girl  
I'm so glad you're in my world  
    Just as sure as the sky is blue  
I bless the day that I found you  
    Fortunate to have you girl  
I'm so glad you're in my world  
    Just as sure as the sky is blue

I bless the day that I found you
