

Fly By Night

Nujabes

Airport scurry flurry faces
Parade of passers by
People going many places
With a smile or just a sigh
Waiting waiting pass the time
Another cigarette
Get in line - gate thirty-nine
The time is not here yet (end) Why try? I know why
The feeling inside me says it's time I was gone
Clear head, new life ahead
I want to be king now not just one more pawn Fly by night, away from here
Change my life again
Fly by night goodbye my dear
My ship isn't coming and I just can't pretend Moon rise, thoughtful eyes
Staring back at me from the window beside
No fright or hindsight
Leaving behind that empty feeling inside Start a new chapter
Find what I'm after
It's changing every day
The change of a season
Is enough of a reason
To want to get away Quiet and pensive
My thoughts apprehensive
The hours drift away
Leaving my homeland
Playing a lone hand
My life begins today
