Washed Away

Kirk Franklin

Fill me with Your joy so new
So I can show my love for You
This joy I have is real and trueFor all my sins are washed away
Yes, all my sins are washed awayThe pain I felt so deep inside
The tears I could no longer hide
There's joy now cause' You're by my sideYes, all my sins are washed away
Yes, all my sins are washed awayWashed away
Gone astrayFor all my sins are washed away
Yes, all my sins are washed away
