

Where I'm From

Eels

Three Ghosts and I, sittin' on the couch last night
Catchin' up on all the time
It's been a while, since we got together and
You know that it's often on my mindChorus:
So long ago, I left it in the dust, well I was so young and dumb
Ran far away, but I have to admit, sometimes I miss where I'm fromLet's have a drink, to everything that we
went through
It wasn't always so bad
We can't forget, each other's company
And all of the goodtimes we hadChorus:
So long ago, I left it in the dust, well I was so young and dumb
Ran far away, but I have to admit, sometimes I miss where I'm fromThree ghosts and I, sittin on the couch last
night
Catchin up on all the time
It's been a while, since we got together and
You know that it's often on my mindChorus:
So long ago, I left it in the dust, well I was so young and dumb
Ran far away, but I have to admit, sometimes I miss where I'm from
