

# James Dean

## Dale Earnhardt Jr. Jr.

Staring at a cigarette  
I tried to quit, but haven't yet  
In the moonlight, in a freezing house  
Put on the record you've been all about Ah na na na, all I wanna be  
I've been acting a fool  
I've been feeling like good times just don't last  
Got me screaming out, "Ooh ooh, look at me now"  
Ah na na na, all I wanna be  
Is to be cool like James Dean  
I'm not done, but I've wasted time  
A hundred projects; none of them were mine  
Suitcase half unpacked  
The Internet won't ever love you back
