

The Motivation Proclamation

Good Charlotte

Spend your lazy, endless crazy
Days inside my head
You're so selfish, you're not the only
One who thinks he's dead
I'm paid to smile, now I'm on trial
For what you think I said
But I never said
That everything would be okay
And I never said
That we would live to see another day
Yeah, yeah
Motivate me
I wanna get myself out of this bed
Captivate me
I want good thoughts inside of my head
If I fall down
Would you come around
And pick me right up off the ground?
If I fall down
Would you come around
And pick me right up off the ground?
I'm realistic, and narcissistic
You say I'm selfish and absurd
You try to change me, try to save me
You say I'm gonna learn
I'm so blind, I'm out of time
You're so unkind sometimes
I never lied, I never lied, I never lied
'Cause I never said

That everything would be okay
And I never said that we would live to see another day
Yeah, yeah
Motivate me
I wanna get myself out of this bed
Captivate me
I want good thoughts inside of my head
If I fall down
Would you come around

And pick me right up off the ground?
If I fall down
Would you come around
And pick me right up off the ground?
Right up off the ground
Pick me right up off the ground
Yeah, yeah
'Cause everything
It'll be okay
You know we're gonna live
To see another day
Yeah, yeah, yeah, yeah
Motivate me, yeah
(I wanna get myself out of this)
Motivate me, yeah
(I wanna get myself out of this)
Motivate me, yeah
(I wanna get myself out of this)
Motivate me, yeah
(I wanna get myself out of this bed)
