Surrender

Ben Lee

Well I have felt an angel's kiss
And I have seen the sweet sunset
I thought maybe I was this
I found out that I am that
Let go
Give in
Give up
Surrender
Let go
Give in
Give up
Surrender
All the things I long to touch
And all the tastes that seem so sweet
They don't matter all that much
When I'm falling at your feet
Let go
Give in
Give up
Surrender
Let go
Give in
Give up
Surrender
Oh yeah!

Come on!
No-one puts baby in the corner!
yeah!
Well I can't promise I won't fall
And I can't say I'm never scared
I can't promise much at all
But when you call me I'll be there
Let go
Give in
Give up
Surrender
Let go
Give in

Give up
Surrender
Let go
Give in
Give up
Surrender
Let go
Give in
Give up
Surrender
Yeah
Yeah
Yeah
