

# Surrender

Ben Lee

Well I have felt an angel's kiss  
And I have seen the sweet sunset  
I thought maybe I was this  
I found out that I am that

Let go  
Give in  
Give up  
Surrender  
Let go  
Give in  
Give up  
Surrender

All the things I long to touch  
And all the tastes that seem so sweet  
They don't matter all that much  
When I'm falling at your feet

Let go  
Give in  
Give up  
Surrender  
Let go  
Give in  
Give up  
Surrender  
Oh yeah!

Come on!  
No-one puts baby in the corner!  
yeah!

Well I can't promise I won't fall  
And I can't say I'm never scared  
I can't promise much at all  
But when you call me I'll be there

Let go  
Give in  
Give up  
Surrender  
Let go  
Give in

Give up  
Surrender  
Let go  
Give in  
Give up  
Surrender  
Let go  
Give in  
Give up  
Surrender  
Yeah  
Yeah  
Yeah
