Seasons

Terence Trent D'Arby

I won't say goodbye
I don't want to use that exit line
Please don't make me lie
I have no excuse for you this time
'Cause sometimes
(It's alright for a season)

But then it's time to goThe verses of my life are moving past
And so now the chorus I must hear
I've got to define my life and times
Before I can give you more than tears

'Cause sometimes

(It's alright for a season)

But then it's time to goYour heart was stretched to the point of breaking Your tears are etched and your sorrow is wakingThis complicated curse Causes you to freeze our love in time

If I awaken that first
It's only 'cause you lost yourself in mine
Please don't let me see you cry
'Cause sometimes
It's alright for a season
But then it's time to go
