 Obiarra nni h) oo (8x)
 There is none like you (4x)
 I've searched all over couldn't find no one like you Lord
 There is none like you
 In the earth and in the heavens there is no one like my God
 no no no no no no oo
 There is no one like you
 You are the mortal, invincible the only truly God
 There is none like you
 At the mention of your name every knee shall proclaim there is none like you
