

# Heal The Pain

George Michael

Let me tell you a secret, put it in your heart and keep it  
Something that I want you to know  
Do something for me, listen to my simple story  
And maybe we'll have something to show  
You tell me you're cold on the inside  
How can the outside world be a place that your heart can embrace  
Be good to yourself  
'Cause nobody else has the power to make you happy  
How can I help you? Please let me try to  
I can heal the pain that you're feeling inside  
Whenever you want me, you know that I will be  
Waiting for the day that you say you'll be mine  
He must have really hurt you  
To make you say the things that you do  
He must have really hurt you  
To make those pretty eyes look so blue  
He must have known that he could  
That you'd never leave him  
Now you can't see my love is good  
And that I'm not him  
How can I help you? Please let me try to  
I can heal the pain, won't you let me inside?  
Whenever you want me, you know that I will be  
Waiting for the day that you say you'll be mine  
Won't you let me in, let this love begin?  
Won't you show me your heart now?  
I'll be good to you, I can make this thing true  
Show me that heart right now  
Who needs a lover that can't be a friend  
Something tells me I'm the one you've been looking for, oh  
If you ever should see him again  
Won't you tell him you've found someone who gives you more?  
Someone who will protect you, love and respect you  
All those things that he never could bring to you  
Like I do or rather I would  
Won't you show me your heart like you should?  
How can I help you? Please let me try to  
I can heal the pain that you're feeling inside  
Whenever you want me, you know that I will be

Waiting for the day that you say you'll be mine  
Won't you let me in, let this love begin?  
Won't you show me your heart now?  
I'll be good to you, I can make this thing true  
And get to your heart somehow
