Grinnin' In Your Face

Son House

Dont you mind people grinnin in your face
Dont mind people grinnin in your face
You just bear this in mind, a true friend is hard to find
Dont you mind people grinnin in your faceYou know your mother would talk about you
Your own sisters and your brothers too
They just dont care how youre tryin to live
Theyll talk about you stillYes, but bear, ooh, this in mind, a true friend is hard to find
Dont you mind people grinnin in your face
Dont you mind people grinnin in your face
Dont you mind people grinnin in your faceOh, just bear, ooh this in mind, a true friend is hard to find
Dont you mind people grinnin in your faceYou know theyll jump you up and down
Theyll carry you all 'round and 'round
Just as soon as your back is turned
Theyll be tryin to crush you downYes, but bear this in mind, a true friend is hard to find
Dont you mind people grinnin in your face
Dont mind people grinnin in your face
Dont mind people grinnin in your face, oh, LordAnd just bear this in mind, a true friend is hard to find
Dont you mind people grinnin in your face
