Battlefield

It's easy to fall in love
But it's so hard to break somebody's heart
What seemed like a good idea has turned into a battlefield
Once lust has turned to dust and all that's left's held breath
Forgotten who we first met
What seemed like a good idea has turned into a battlefieldWe both know it's coming
Does illusion count for something we hide?
The surface tension's gotta break, one drop is all it takes to flood out this lieYou and I
We have to let each other go
We keep holding on but we both know
What seemed like a good idea has turned into a battlefield
Peace will come when one of us puts down the gun
Be strong for both of us
No please, don't run, don't run
Eye to eye, we face our fears unarmed on the battlefieldWe seemed like a good idea
We seemed like a good ideaNo blood will spill if we both get out now
Still it's hard to put the fire out
What seemed like a good idea has turned into a battlefield
Feelings are shifting like the tide
And I think too much about the future
What seemed like a good idea has turned into a battlefieldWe both know it's coming
Does illusion count for something we hide?
The surface tension's gotta break, one drop is all it takes to flood out this lieYou and I
We have to let each other go
We keep holding on but we both know
What seemed like a good idea has turned into a battlefieldPeace will come when one of us puts down the gun
Be strong for both of us
No please, don't run, don't run
Eye to eye, we face our fears unarmed on the battlefieldWe seemed like a good idea
We seemed like a good idea
We seemed like a good idea
We seemed like a good idea
