

Here's To Life

Barbra Streisand

No complaints and no regrets
I still believe in chasing dreams and placing bets
For I have learned that all you give is all you get
So give it all you've got I had my share, I drank my fill
And even though I'm satisfied, I'm hungry still
To see what's down another road, beyond the hill
And do it all again So here's to life and all the joy it brings
Yes, here's to life and dreamers and their dreams Funny, how the time just flies
How love can turn from warm hellos to sad goodbyes
And leave you with the memories you've memorized
To keep your winters warm But there's no yes in yesterday
And who knows what tomorrow brings or takes away
As long as I'm still in the game I wanna play
For laughs, for life, for love So here's to life and all the joy it brings
Yes, here's to life and dreamers and their dreams May all your storms be weathered
And all that's good get better
Here's to life, here's to love, here's to you May all your storms be weathered
And all that's good get better
Here's to life, here's to love, here's to you
