Feelin' your flames, I know you're a fire, I can't get rid of this ego,
Screen shorty, you done made me a believer, I'm so addicted to you...When I see you...

(Hey, Hey) No wasting my time, She gotta be Zoosk, Walkin' it, Talkin' it, know she the truth.
All the way down with a freak attitude, Whether you're loose when she walk in the room.
Swingin' them hips like you ain't got a groove, Hell of a giver, she sweet as perfume,
Fully equipt with that body in tune, Lil' mama is drippin', she hotter than June.
I gotta have her no way can I rest,
Make her my diva, want only the best.
Babies no teaser, I look to impress,

Good Ladies they help me get rid of my stress,
No top for close, No bottom the dress, Only one goal, that's showing her flesh,
Shortys the fly'est chick in the nest, She gotta be Zooskin', nothing less..

From the A.M to the P.M, From the night until the morning,
I get up and I come up anytime she calls me.
Because I give in to my lady anyway she want it,
Licky Up and Licky down, Now let's, let's get it started.
From the A.M to the P.M, From the night until the morning,

And I can have ya screamin', (oooOOOOoooOOH).
So I can get you, you, and you girl, (oooOOOOoooOOH), Cause you're a Zoosk, Zoosk, Zoosker.
