

# Vermilion (Live At Download Festival 2009)

## Slipknot

She seems dressed in all the rings  
Of past fatalaties  
So fragile yet so devious  
She continues to see it  
Climatic hands that press  
Her temples and my chest  
Enter the night that she came home  
ForeverOh (she's the only one that makes me sad)She is everything and more  
The solemn hypnotic  
My dahlia, bathed in possession  
She is home to meI get neverous, perversed when I see her it's worse  
But the stress is astounding  
It's now or never she's coming home  
ForeverOh (she's the only one that makes me sad)Hard to say what caught my attention  
Vixen crazy, aphid attraction  
Carve my name in my face, to recognize  
Such a pheromone cult to terrorizeI won't let this build up inside of me  
I won't let this build up inside of me  
I won't let this build up inside of me  
I won't let this build up inside of me(Yeah!)I'm a slave, and I am a master  
No restraints and, unchecked collectors  
I exist through my need, to self-oblige  
She is something in me, that I despiseI won't let this build up inside of me  
I won't let this build up inside of me  
I won't let this build up inside of me  
I won't let this build up inside of meI won't let this build up inside of me  
I won't let this build up inside of me  
I won't let this build up inside of me  
I won't let this build up inside of meShe isn't real  
I can't make her real  
She isn't real  
I can't make her realShe isn't real, I can't make her real  
She isn't real, I can't make her real
