

# Haircut

## Har Mar Superstar

Summer in the city  
Someones got you lookin' pretty  
Got your new haircut, hair-do, is enough  
For every city boy and every city girl  
To look you up as you get down  
Warm nights we play around  
We cruise the streets (Downtown)  
Where we gonna meet (Downtown)  
Baby hold my seat (Downtown)  
Floodin' up the clubs (Downtown)  
Bustin' through the beats (Downtown)  
Somewhere that you're free to be who you wanna be (Downtown)  
Pizza on the corner open til three (Downtown)  
Summer, summer, summer in the city city city  
Summer, summer, summer in the city city city  
Summer, summer, summer in the city city city  
Summer, summer, summer in the city city city (Downtown)  
Ain't no time to slack, leaders of the pack (Downtown)  
Boiling up the blood, spill it on the tracks (Downtown)  
Don't mess with the crew, you'll be blue and black (Downtown)  
Business in the front, party in the back  
Summer, summer in the city city city  
Summer, summer, summer in the city city city  
Summer, summer, summer in the city city city  
Summer, summer, summer in the city city city
