

Funtime

Tall Boys

Fun
Hey baby, we like your lips
Fun
Hey baby, we like your pants
All aboard for funtimeFun
Hey, I feel lucky tonight
Fun
I'm gonna get stoned and run around
All aboard for funtimeFun
Last night, I was down in the lab
Fun
Talkin' to Dracula and his crew
All aboard for funtimeFun
I don't need no heavy trips
Fun
I just do what I want to do
All aboard for funtimeFun
Baby baby, we like your lips
Fun
Baby baby, we like your pants
All aboard for funtimeFun
Everybody we want in
Fun
We want some, we want some
All aboard for funtimeFun
Baby baby, we like your lips
Fun
Baby baby, we like your pants
All aboard for funtime
