Fanny Mae

Steve Miller Band

I know, my baby told me so
Yes, I know, my baby told me soShe said, I'm leavin' you, daddy
Got such a long way to goMy heart can hear your name ringin'
Baby, all down that lineYes, I can hear your name ringin'
Baby, all down that lineAnd when I hear your name ringin'
Know you're not far behindFanny Mae, baby, won't you please come home?
Now I'm so tired, livin' all alone
