Last Thing I Needed First Thing This Morning

Willie Nelson

The postman delivered
A "past due" bill notice
The alarm clock rang two hours late
The garbage man left all the trash
On the sidewalk
And the hinges fell off our front gate
And this morning at breakfast
I spilled all the coffee
And I opened the door on my knee
But the last thing I needed
The first thing this morning
Was to have you walk out on meLast night you came home late
And I knew you'd been drinking
By that old mellow look on your face
I thought, "It don't matter
'Cause it's the holiday season"
And you fill such a big empty spaceBut then I laid down beside you
And I wanted your lovin'
Because your love makes my life complete
But the last thing I needed
The first thing this morning
Was to have you walk out on meSo excuse me for lookin'
Like my world just ended
And excuse me for lookin'
Like I just lost my best friend
And excuse me for livin'
And being forgiving
So just go on if you want to be freeBut the last thing I needed
The first thing this morning
Was to have you walk out on me
