

# Saturday Night

## The Thrills

Is this what they call love?  
Is this what they call love?  
Is this what they call love  
On a Saturday night? I'm just a man  
I'm just a man  
Not even a great one  
I'm too vain for greatness Is this what they call love  
On a Saturday night? Is this what they call sex?  
Is this what they call sex?  
Is this what they call sex  
On a Saturday night? Time for the night clubs  
Time for the night clubs  
Providing the soundtrack for  
Humping on dance floors Is this what they call sex  
On a Saturday night?  
Alright Is this what they call hate?  
Is this what they call hate?  
Is this what they call hate  
On a Saturday night? Broken your bottles  
Broken your bottles  
Thrown like American footballs  
Hey, it's just jocks high on hormones Is this what they call hate  
On a Saturday night? Alright  
Is this what they call hate?  
On a Saturday night? Alright
