

# Bounce (feat. Benjamin DoliÄ• & Ezra)

Hyu

[Verse 1,Ezra]

All I ever asked for is love...  
Only thing u gave me is drugs.  
Show me what it's like to have fun  
always thought that you are the one.  
That would love me for who I am,  
made me a fool again.  
Running right through the wall,  
when will this feeling end?  
You were my only friend.  
Swear put my trust in you  
I'm doing what I can  
sad to say that we through.  
Packing up my shit  
and leaving forever.  
Searching for somebody,  
that loved me better...  
Hoppin'up on a plane  
make sure they know my name,  
fueling my inner flame  
this is my road to fame!

[Chorus,Benjamin Dolic]

Bounce!  
Bounce!  
Bounce,baby,bounce!  
I said,bounce!  
Bounce!  
Bounce,baby,bounce!  
Everybody,bounce!  
Bounce!  
Bounce,baby,bounce!  
Bounce,baby,bounce!

[Verse 2,Ezra]

Uh oh,he blown!  
Killin' every track he on!  
Fillin' up the clubs he in!  
Everybody loves his songs!

Tell me could i right my wrongs?  
Is it that the list too long?  
Searching for the truth in you.  
But every time I'm here, you gone!  
Know what?  
Fuck this!  
Fuck you!  
Fuck bliss!  
Fuck fame!  
We safe.  
We up.  
You suck.

Now switchin' up to another level,  
shinin' like a motherfucking bazel.

Bringin' fire to the rain,  
numb to the pain,  
they just wanna know everything!

How you been?

What you do?

What you've been through?

They need to know everything about you.

Just to put it in paper,

and put it in press.

And make sure they know you,  
and make sure you fresh!

This is everything

I ever wanted!

This the reason

I even started!

Flashing lights.

Long nights.

Couple drinks feeling right.

Lemme se your hands right now!

[Chorus]

Bounce!

Bounce!

Bounce,baby,bounce!

I said,bounce!

Bounce!

Bounce,baby,bounce!

Everybody,bounce!

Bounce!

Bounce,baby,bounce!

Bounce,baby,bounce!

hoot
