

Amnesia (feat. Doe B.)

Kevin Gates

Advisory - the following lyrics contain explicit language:

(Hook)

Who the fuck tha' is?

Who the fuck tha' is?

Who the fuck tha' is?

I dunno tha' bitch

I don't know them either

Kinda look familiar

I'dda caught amnesia(Verse)

I'dda fuck so many hoes

I can't keep count no more

Would somebody tell you

Hell, man, he got shit

He don't know my name

Gon' freeze my wrist,

I'll blow on high as fuck

I'm staying low

Won't you hope on get your hoe

I got her walkin' pigeon toe

America's Next Top Model?

Right here in my condo?

Only know her name

After I afford a condom

And she look like Rhianna

Her ass is like humungus

She say she love my cargo

Cause I think she like (???)

But I dunno her name

She don't know me either

She just want the (???)

(???) no teeth

Love me, long time

Love me, love me, long time

The reason all my dates be blind
Is cause it's trauma mind(?)(Hook)
Who the fuck tha' is?
Who the fuck tha' is?
Who the fuck tha' is?
I dunno tha' bitch
I don't know them either
Kinda look familiar
I'dda caught amnesia(Verse)
Dear, Lord, please have mercy
My girl just caught me twerking
Bitch, like you stupid, hell does it look?
I didn't grab your ass on purpose
Don't remember nothin'
Guess it's getting worse
BMTP, that's murda
Bring me the pussy he ain't ever heard of
Man, we fucking in an all excursion
Gettin' head while I drive excursion
On the farm, licking on my ... work it!
These mutts don't mean to hurt her
She talkin' like it's urgent
Where you know me from? My loft?
Heard yo' mother make me get off
It was hard, but it started soft
Fish scale with the hair, lets roll
Whole tap, come get pro balls
Two paws, no dog, it's a loss(?)
Shots fired, man down, what happened?
Leave alone before I stab them
Truth, nigga, you dummy, I'm coming,
Get the money, got a bankroll in this bitch
Amnesia had tha' shit
Ask anything, I forget(Hook)
Who the fuck tha' is?
Who the fuck tha' is?
Who the fuck tha' is?
I dunno tha' bitch
I don't know them either
Kinda look familiar
I'dda caught amnesia
