

One More Hit

Alison Wonderland

[Verse 1]

You wanted to work it, to work it, to work it
And this is the pressure you give me, you give me
I'm trying to make it, to make it, to make it
Is this what you're seeing, you're seeing, you're seeing
It's always the sweetest, the sweetest, the sweetest
To let me defeat it, defeat it, defeat it
And all of this small talk, this small talk, this small talk
Then why do you need it, you need it, you need it [Chorus] x2
Give me air, we breathe it
I don't care, we need it
One more hit, yeah
One more hit, yeah
One more hit, you need it [Verse 2]

It's knowing your choices, your choices, your choices
Forgetting my voices, my voices, my voices
So bring all your forces, your forces, your forces
Silence all the noises, the noises, the noises
I'll smile if I have to, I have to, I have to
So try to believe it, believe it, believe it
I'll never hold on to, hold on to, hold on to
The way they see it, they see it, they see it [Chorus] x2
Give me air, we breathe it
I don't care, we need it
One more hit, yeah
One more hit, yeah
One more hit, you need it
