Lost Inside Your Love

Badfinger

What can I say, what can I do?
All of my life I've been a victim of you
What can I say or do?
Lost inside your loveWhat can it be, who can I see?
All of your life you've been the winner in me
What can I say or do?
Lost inside your loveIs it any wonder, there's no reason why
Is it all because I left it open wide for your pride
To leave me one more time
Are you leaving me one more time?What can I say, what can I do?
All of my life I've been a winner with you
What can I say or do?
Lost inside your love
Lost inside your love
Lost inside your love
