

Let It Rain (Driftwood Remix)

4 Strings

Rain on my skin
I feel a gentle summer wind
In your eyes
I can see the deep blue skyLet it rain
Let it color all my skin
Let it rain
Wash away my doubts and pain
I wanna discover
I don't wanna make believe
Let it rain down on me
Let it rain downFeels so divine
Only one thing on my mind
I'm alive
Let the island spirit shine(Let it rain)Let it rain
Let it color all my skin
Let it rain
Wash away my doubts and pain
I wanna discover
I don't wanna make believe
Let it rain down on me
Let it rain downLet it color all my skin
Let it rain
