Once In a While

Nat King Cole

Once in a while will you try to give
One little thought to me
Though someone else may be
Nearer your heart?Once in a while will you dream
Of the moments I shared with you
Moments before we two
Drifted apart?In love's smoldering ember
One spark may remain
If love still can remember
That spark may burn againI know that I'll be contented
With yesterday's memory
Knowing you think of me
Once in a whileIn love's smoldering ember
One spark may remain
If love still can remember
The spark may burn againI know that I'll be contented
With yesterday's memory
Knowing you think of me
Once in a while
