

Quilombo (Zumbi Dub mix)

Soulfly

This is a true story of a slave man
Who fled his people from the white man
So I'll say that he showed me the way
To be brave, brave, don't be afraid
Zumbi his name, Quilombo his place
Our root you can never erase
Zumbi his name, Quilombo his place
Our root you can never erase
Thirty thousand Zumbi refugees
Fight the right, the right to be free
Rape the city, the masters of greed
Follow the warrior, the warrior Zumbi
No more no more no more slavery
No more no more no more misery
No more no more no more suffering
Zumbi Zumbi
Blow them away
Here we come, here we come slave drums
Here we come, here we come Quilombo
Time for war in the land of the sun
I know God will not leave us alone
I know God will never leave us alone
Zumbi Zumbi
Got to be free
Quilombo Quilombo
