

# Black Widow

Dolores O'Riordan

Finding solace  
Finding solace somewhere  
Seeking comfort  
Seeking comfort somewhere Over and over  
Over she calls  
Over and over  
Over she falls The black widow  
Waiting for her lover  
The black widow  
Crying in her bedroom Over and over  
Over she calls  
Over and over  
Over she falls Pull me out  
Pull me out  
Pull me out Seeking comfort  
Seeking comfort somewhere And she cries and she cries  
Feeling lonely, she is lonely  
And she dies and she dies  
Feeling lonely, she is lonely Recognize, recognize  
The black widow, the black widow  
Recognize, recognize  
The black widow, the black widow  
The black widow Pull me out  
Pull me out  
Pull me out
