

Another Day In Paradise (LP Version)

[Phil Collins](#)

She calls out to the man on the street
'Sir, can you help me?
It's cold and I've nowhere to sleep,
Is there somewhere you can tell me?'He walks on, doesn't look back
He pretends he can't hear her
Starts to whistle as he crosses the street
Seems embarrassed to be thereOh think twice, it's another day for you and me in paradise
Oh think twice, 'cause it's just another day for you,
You and me in paradise, think about itShe calls out to the man on the street
He can see she's been crying
She's got blisters on the soles of her feet
She can't walk but she's tryingOh think twice, 'cause it's another day for you and me in paradise
Oh think twice, it's just another day for you,
You and me in paradise, think about itOh Lord, is there nothing more anybody can do
Oh Lord, there must be something you can sayYou can tell from the lines on her face
You can see that she's been there
Probably been moved on from every place
Cause she didn't fit in thereOh think twice, 'cause another day for you and me in paradise
Oh think twice, it's just another day for you,
You and me in paradise, just think about it, think about itIt's just another day for you and me in paradise
It's just another day for you and me in paradise, paradise
It's just another day for you and me in paradise
It's just another day for you and me in paradise, paradise
It's just another day for you and me
It's just another day for you and me
It's just another day for you and me in paradise
In paradise
