A Love Like Kerosene (Goondocks Remix Extended)

Sama

Tears in my eyes burn while I'm waiting for my turn
I shape my thoughts on you, I shape my arms on you
Tears in my eyes burn while I'm begging you to return
Now I can't even talk
Now I can't even loveNo, I won't be misunderstood
No, I won't be misunderstoodWhat should I do?
To follow you?
If love was a battle, darling, I'd pull back my troops and give way to you
What should I do?
To follow you?
If love was a battle, darling, I'd pull back my troops and give way to youI gotta be tough, gotta be wise, gotta be stronger than you
I'm gonna go straight along my way, what do I have to lose?
It is the truth, once I loved you
But after you're gone and left me alone, my love is gone tooNo, I won't be misunderstood
No, I won't be misunderstoodWhat should I do?
To follow you?
If love was a battle, darling, I'd pull back my troops and give way to you
What should I do?
To follow you?
If love was a battle, darling, I'd pull back my troops and give way to youNo more mistakes, no more. I will not fall in love, no more.
No more mistakes, no more. I'll never feel this way no moreWhat should I do?
To follow you?
If love was a battle, darling, I'd pull back my troops and give way to you
What should I do?
To follow you?
If love was a battle, darling, I'd pull back my troops and give way to youNo, I won't be misunderstood
