Everybody, I said everybody
Report to the dance floor

Yeah Miss Hyuna is back
She is back

Ice cream Ice cream
Iâ€™ll melt you down like Ice cream
Ice cream Ice cream
Iâ€™ll melt you down like Ice cream

Iâ€™m like sweet ice cream, Iâ€™ll melt you
Fresh ice cream cream cream cream cream
Chocolate ice cream like my dark skin
Sweet ice cream cream cream cream cream

Oh Hey boy, everybody come here
Every single person looks at me
Hey girl, I donâ€™t know, donâ€™t know, you might melt
Donâ€™t rush boy

Ma diamond ring so bling bling
Iâ€™ll show you my sexy swag
One look at me and they all fall for me
You better surrender

I got 31 flava sometimes sweet like vanilla
I might melt you (you got that)
Youâ€™re in big trouble today

Iâ€™m like sweet ice cream, Iâ€™ll melt you
Fresh ice cream cream cream cream cream
Chocolate ice cream like my dark skin
Sweet ice cream cream cream cream cream

Do you like me? Then come to me
Donâ€™t just blankly stare at me
Will you love me? Will you only look at me?
You, you, you, you will fall deeply into me

Iâ€™ll melt you down like Ice cream
Iâ€™ll melt you down like Ice cream

Ma diamond ring so bling bling
Iâ€™ll show you my sexy swag
One look at me and they all fall for me
You better surrender

I got 31 flava sometimes shooting star pop pop

I might melt you (one more time)
Youâ€™re in big trouble today

Iâ€™m like sweet ice cream, Iâ€™ll melt you
Fresh ice cream cream cream cream cream
Chocolate ice cream like my dark skin
Sweet ice cream cream cream cream cream

Do you like me? Then come to me
Donâ€™t just blankly stare at me
Will you love me? Will you only look at me?
You, you, you, you will fall deeply into me

Hands in the air, shake it oh yeah
Hands in the air,
