

# This Love Of Mine

[Ray Charles](#)

This love of mine, goes on and on  
Though life is empty, since you have gone  
You're always on my mind, though out of sight  
It's lonesome through the day and all the night  
I cry my heart my out, it's bound to break  
Since nothin' matters, then let it break  
I ask the sun and the moon, the stars that shine  
What's to become of it, this love of mine?  
I cry my heart my out, it's bound to break  
Since nothin' matters, then let it break  
I ask the sun and the moon, the stars that shine  
What's to become of it, this love of mine?
