

Survivor

Da' T.R.U.T.H.

I am a survivor
The devil is a liar
Living for the king and my soul is on fire
So if you feel me put your hands up (hands in the air)
Put your hands up (hands in the air), Put your hands up

I am a survivor the devil is a liar
Living for the king and my soul is on fire
So if you feel me put your hands up (hands in the air)
Put your hands up (hands in the air)
What are you waiting for yeah?

Verse 1

I am pretty waited and heavy laid and the land is breaking
The tears is flowing am feeling crazy as Ben Davis
I've been to Hades and back, I've seen the devastation
I'm pressed and thinning but the saints in Hades has been in prison
Cos they, survivors they hold on to God in change in hands
They learn to trust in him even when there is a change of plans
Yeah, they understand the God of Abraham
Isaac and Jacob persuade them even when he shakes the land
He brings beauty for ashes, you could ask Mandela
Joy out of pain, but the flush him carried pillars
He collapses buildings but those who carry the builders
Let me see your hands if you feel us fellas sing

I am a survivor
The devil is a liar
Living for the king and my soul is on fire
So if you feel me put your hands up (hands in the air)
Put your hands up (hands in the air), Put your hands up

I am a survivor the devil is a liar
Living for the king (living for the king)
And my soul is on fire (we on fire baby)
So if you feel me put your hands up (hands in the air)
Put your hands up (hands in the air) what are you waiting for yeah

Verse 2

I feel 'lly laded, feel real courageous, I fill these pages

But Christian hope cos we know that our latter will be greater
My uncle laid on the hospital bed dilapidated
But at one need him believe the love was a healing angel
So she persisted in prayer, almost night and day
The love that the family need is to say heâ€™s alive today
Cos true survivors believe in hope with the bible teaches
The only God has provided us strength in the time of weakness
And when the storm is raging and the problems deepen
And when your marriage is broken up into tiny pieces
Put your hope in God even in the trial seasons
And if you know the survivors in Jesus Say

I am a survivor
The devil is a liar
Living for the king and my soul is on fire
So if you feel me put your hands up (hands in the air) put your hands up (hands in the air), Put your hands up
I am a survivor

Verse 3 (Suzy Rock)

How many bright and elite we canâ€™t can tress we can bear it
Iâ€™m dying sooner this soon that I should be buried
I kissed this girl and fell in love now what is paid up pairing with my life is bearing to Preston and Paris without
hearing
It was a day at Paris, I was in love with myself, I was bleeding with my heart, my breast they hang out with vair
I think I love her, yeah more than him
(But you ainâ€™t gonna live like you gonna get life eternally)
There is what I did, Iâ€™m a survivor
And Iâ€™m feeling real fresh am heading at the fire
I serve a great God, his grace is so parry
In his way as my parry took my life now am changed

I am a survivor
The devil is a liar
Living for the king and my soul is on fire
So if you feel me put your hands up (hands in the air) put your hands up (hands in the air), Put your hands up

I am a survivor the devil is a liar
Living for the king
And my soul is on fire (we on fire baby)
So if you feel me put your hands up (hands in the air)
Put your hands up (hands in the air) what are you waiting for yeah

This song right here is for all my survivors
By the grace of God you made it through the storm
(I am a survivor)

You were in the fire but you were not consumed oh
You were cast down but not destroyed
(I am a survivor)
Oh put your hands in the air
(I am a survivor)
