

Jealousy

Randy Meisner

House-Leese-Meisner
Hard line written on your face
Got you fallin' to the ground
Cold questions that you can't erase
Got you runnin' all over town
Jealousy, jealousy
You just can't win for losin'
Keeps pullin' at your heart
Won't let you be
Out livin' on the edge again
Using up all your pride
Table turnin', now your days are nights
There's no place left to hide
Jealousy, jealousy
You just can't win for losin'
Keeps pullin' at your heart
Won't let you be
Jealousy, jealousy
You just can't win for losin'
Keeps pullin' at your heart
Won't let you be
Jealousy, jealousy
You just can't win for losin'
Keeps pullin' at your heart
Won't let you be
