Rain Down

Ananda Project

Pressures building up
Your skies about to burst
But I won't run inside
I want to quench my thirstRain down on meI also love the sun
Need your heat on my skin
But I'll be by your side
Whatever mood you're inRain down on meRain down on me
Rain down on me
Rain down on meRain down on me
Rain down on me
Rain down on me
Rain down on meRain down on me
Rain down on me
Rain down on mePressures building up
Your skies about to burst
But I won't run inside
I want to quench my thirstRain down on meI also love the sun
Need your heat on my skin
But I'll be by your side
Whatever mood you're inRain down on meRain down on me
Rain down on me
Rain down on me
