Smooth Talk (Is All Talk)

Kate Martin

Eloquent words not fitting for a fool
Foolish eyes scale the earth
Eloquent words not fitting for a fool
Foolish eyes scale the earth

Wise words run deep
Wise words run deep
Like water

Wallaman Falls, Mossman Gorge, Alligator Creek

Eloquent words not fitting for a fool
Foolish eyes scale the earth
Eloquent words not fitting for a fool
Foolish eyes scale the earth

The right to say no
The right to say I donâ€™t want your lovinâ€™
I can turn my hearts attention to someone else
The right to say no
The right to say I donâ€™t want your lovinâ€™
I can turn my hearts attention to someone else
Or something else
Or somewhere else
