Left Hand Free

Left Hand Free

Hey shady baby I'm hot
Like the prodigal son
Pick a battle eenie meenie miney moe
Hey flower you're the chosen oneWell your left hand's free
And your right's in grip
With another left hand
Watch his right hand slip
Towards his gun, oh noI tackle weeds just so the moon buggers nibble
A right hand grip on his Colt single-action armyWell your left hand's free
And your right's in grip
With another left hand
Watch his right hand slip
Towards his gun, oh noN-E-O, O-M-G, gee whiz
Girl you're the one for me
Though your man's bigger than I am
All my days he disagrees, oh noWell my left hand's free
Well my left hand's free
Well my left hand's freeHey shady baby I'm hot
Like the prodigal son
Pick a battle eenie meenie miney moe
Hey flower you're the chosen oneWell your left hand's free
Well my left hand's free
Well my left hand's free
Well my left hand's free
Well my left hand's free
Oh no
