

If I May

Nat King Cole

I'd like to love you everyday
If I may, if I may
And dream dreams of you every night
If I might, if I might
And if I may, I'd like to say
I wish that you were mine
If I had you, all I would do
Is adore you all the time
I'd like to tell you of your charms everyday
If I may
I'd like to hold you in my arms every night
If I might
You're the object of my affections
And if you have no objections
I'd like to love you, night and day
If I may
I'd like to love you everyday
If I may
And dream dreams of you every night
If I might
And if I may, I'd like to say
I wish that you were mine
If I had you, all I would do
Is adore you all the time
I'd like to tell you of your charms everyday
If I may
I'd like to hold you in my arms every night
If I might
You're the object of my affections
And if you have no objections
I'd like to love you, night and day
If I may
