

Kids With Guns - Quiet Village Remix

Gorillaz

Kids with guns
Kids with guns
Taking over
But it won't be long
They're mesmerized
Skeletons
Kids with guns
Kids with guns
Easy does it, easy does it, they got something to say no to Drinking out (is she real, is she)
Pacifier (is she real, is she)
Demon souls (is she real, is she)
Street desire (is she real, is she)
Didn't mean to (is she real, is she)
But it won't be long (is she real, is she)
Kids with guns
Kids with guns
Easy does it, easy does it, they got something to say no to And they turn into monsters
Turning us into fire
Turning us into monsters
It's all desire
It's all desire
It's all desire Drinking out
Pacifier
Sinking soul
There you are
Doesn't make side to
But it won't be long
'Cause kids with guns
Kids with guns
Easy does it, easy does it, they got something to say no to And they turn into monsters
Turning us into fire
Turning us into monsters
It's all desire
It's all desire
It's all desire Is she, is she real, is she
Is she real, is she (it's real)
Is she, is she real, is she
Is she real, is she (it's real) Is she is she real

It's real
