

High (iTunes Session)

Lindi Ortega

Gonna get a little bit high today
Yeah, I think I will
'Cause I got some pain to medicate
And I'm all out of pills What do ya say honey
Wanna go for a ride?
I ain't that sane honey
I just wanna ï¬,y Gonna get a little bit high today
Don't mind if I do
I'm not into razor blades
So I'm tryin' somethin' new What do ya say honey
Shall we go for a ride?
I ain't too sane honey
I just wanna ï¬,y I just wanna ï¬,y
Through the clouds in my mind
I've been down for some time So I'm gonna ï¬,y
Get a little bit high Gonna get a little bit high today
I've been feeling low
Gonna watch my troubles burn away
Watch 'em all go up in smoke What do ya say honey
Shall we go for a ride?
I ain't too sane honey
I just wanna ï¬,y I just wanna ï¬,y
Like a bird in the sky
I've been down for some time
So I'm gonna ï¬,y
Get a little bit high
