

# They Said

## Wild Ones

Those other girls, they said  
"You'll never have him"  
But they just don't get it at all  
And those other boys, they said  
"It couldn't be done"  
Now it's clear they don't get it at all  
oh baby now ooh  
oh baby now ooh  
So sure when we met,  
I was losing my head  
I still think of that night late in bed  
And didn't I say at the start, baby  
"Throw me in that ring and you can have me for the rest of my life"  
oh baby now ooh  
oh baby now ooh  
oh baby now ooh ooh ooh ooh ooh  
Those other girls, they said  
"You'll never have him"  
but they just don't get it at all  
And those other boys, they said  
"It can't be done"  
Now I know that they don't get it at all  
oh baby now ooh  
oh baby now ooh ooh ooh ooh ooh
