

The Big L (Live from Santiago 2012)

Roxette

She's the top, she's got the world on a string.
She makes me boogie, makes me do anything
yea yea. -
Hey now, touch the sky,
you've got a certain kind of look in your eyes. Well, she's a miracle, she's all that I need
like the water and the air that I breathe
yea yea. -
Hey now, reach the sky,
there's a certain kind of look in your smile. And I know what love can do.
Yes I know what hearts can do The big love is taking the wheel,
the big love goes head over heels,
the big lust, bring it into the small world,
the bigger, the better.
Big love, waiting to catch the big one,
head over heels, the big one,
bring it into the small world.
I'm building the big big love,
I'm building the big big love It's kinda strange, a bit mysterious,
I gotta take it oh so so serious. -
Hey now, touch the sky,
you've got a certain kind of look in your eyes. It used to be hard, so lonely at night,
well, she's my baby and I'm feeling alright. -
Hey now, move the sky,
there's a certain kind of look in that smile. When I'm making love with her.
When I'm making love to her yea. It has to be a big thing
It's bringing me to my knees
Has to be a big thing
Big thing Ya know what I'm saying...
