To Cut a Long Story Short

[unknown]

Soldier is turning
See him through white light
Running from strangers
See you in the valleyWar upon war
Heat upon heat
To cut a long story short
I lost my mindSitting on a park bench
Years away from fighting
To cut a long story short
I lost my mindStanding in the dark
Oh I was waiting for man to come
I am beautiful and clean
And so very very young
To be standing in the street
To be taken by someoneStanding in the dark
Oh I was waiting for man to come
I am beautiful and clean
And so very very young
To be standing in the street
To be taken by someoneQuestions, questions
Give me no answers
That's all they ever give me
Questions, questionsOh look at the strange boy
He finds it hard existing
To cut a long story short
I lost my mind
To cut a long story short
I lost my mind
