Beautiful

Athlete

Bringing in the new sound
Make it in, oh, please make it in
Oh, I have been missin'
Fill me in, please fill me in
Oh, this is beautiful
I've got to soak it up
I've got to soak it up
Oh, this is beautiful
I've got to soak it up
I've got to soak it up
Give me teeth that are golden
Grown often to be
Shine, shine that light
Make it in, bring it in
Oh, this is beautiful
I've got to soak it up
I've got to soak it up
Oh oh, this is beautiful
I've got to soak it up
I've got to soak it up
Oh, this is beautiful
I've got to soak it up
I've got to soak it up
Oh oh, this is beautiful
I've got to soak it up
I've got to soak it up
