

I Can Talk (Moulinex Remix)

Two Door Cinema Club

You won't believe what I tell you
White coats and clever minds will choose
You get a lot from this loose tongue and arrogance
It's not appropriate, don't think that this is it
Now I can talk, no one gets off
I know how you like to
Now I can talk, no one gets off
Now I can talk, no one gets off
I know how you like to
Now I can talk, no one gets off
A longer sentence brings no more
Than one that I had said before
It's hard to compromise when I see through your eyes
It's just a common view, I guess it's lost on you
Now I can talk, no one gets off
I know how you like to
Now I can talk, no one gets off
Now I can talk, no one gets off
I know how you like to
Now I can talk, no one gets off
Now I can talk, no one gets off
I know how you like to
Now I can talk, no one gets off
Now I can talk, no one gets off
I know how you like to
Now I can talk, no one gets off
