

# Give me one reason (Soundskin Remix)

Tracy Chapman

Give me one reason to stay here  
And I'll turn right back around  
Give me one reason to stay here  
And I'll turn right back around  
Said I don't want leave you lonely  
You got to make me change my mindBaby I got your number, oh and I know that you got mine  
But you know that I called you, I called too many times  
You can call me baby, you can call me anytime  
But you got to call meGive me one reason to stay here  
And I'll turn right back around  
Give me one reason to stay here  
And I'll turn right back around  
Said I don't want leave you lonely  
You got to make me change my mindI don't want no one to squeeze me, they might take away my life  
I don't want no one to squeeze me, they might take away my life  
I just want someone to hold me, oh and rock me through the nightThis youthful heart can love you, yes and give  
you what you need  
I said this youthful heart can love you, oh and give you what you need  
But I'm too old to go chasing you around  
Wasting my precious energyGive me one reason to stay here  
Yes, and I'll turn right back around  
Give me one reason to stay here  
Oh, and I'll turn right back around  
Said I don't want leave you lonely  
You got to make me change my mindBaby just give me one reason, oh, give me just one reason why  
Baby just give me one reason, oh, give me just one reason why I should stay  
Said I told you that I loved you  
And there ain't no more to say
