

L'il Devil

The Cult

YeahLivin' in a shack in a one-horse town
Trying to get to heaven 'fore the sun goin' down
Lizard in a bottle, yeahDizzy in a haze for 40 days
Hey there, little devilCome on little devil
Be my little angel
Come on little devil
Be my, yeah, angel, owOh, she came on with an alligator smile
Dynamite lover, scorpion child
Trying to get to heaven 'fore the sun goes down, yeahShe came on with a cyclone kiss
Hey there baby, you don't never miss
Lizard in a bottle, oh yeahCome on little devil
Be my little angel
Come on little devil
Be my little angel, angelCome on little devil
Be my little angel
Come on little devil
Be my, oh be my, angel
