

Just Reach Out

Petra

Sometimes the night seems to go on for days
When it's hard to see the light through the darkness and haze
While the world around you makes you feel out of place
And the burdens that you carry are just too hard to face Just reach out and he'll reach in
Take your broken heart and make it whole again
It don't matter who you are or where you've been
Just reach out and he'll reach in Standin' in a crowd but still all alone
Cryin' out for answers that nobody knows
Everybody's busy lookin' out for themselves
Is there anyone who really cares about anyone else? Just reach out and he'll reach in
Take your broken heart and make it whole again
It don't matter who you are or where you've been
Just reach out and he'll reach in You say you've walked ten thousand steps away
But did you know that it's only one step back?
Because the one who hears you when you pray
Is the one who's there beside you and he'll never walk away Just reach out and he'll reach in
Take your broken heart and make it whole again
It don't matter who you are or where you've been
Just reach out and he'll reach in Just reach out and he'll reach in
Take your broken heart and make it whole again
It don't matter who you are or where you've been
Just reach out and he'll reach in Reach out your way
Reach out your way
Reach out your way
You know I love you
