

# Problem with My Woman

## Ziggy Marley & The Melody Makers

Can't take heartache  
Can't take  
CHORUS:  
Another problem with a woman again  
Another problem with a woman again  
Another problem with a woman again  
Another problem with a woman again  
Sometimes it's hard to express yourself  
To get, get things offa your chest, my friend  
Tell you one more time  
CHORUS  
Sometimes it's hard to express  
You know what I mean Robbie  
To get, get things off my chest  
Gonne give you one more chance  
CHORUS  
You know what I mean Robbie  
Say, you know what I mean Robbie  
I know you got them too  
A woman again
